2010 OB-Gyn/Maternal Health Catalog

Hello! We are **Lake Forest Anatomicals** offering a broad line of medically accurate 3-dimensional anatomical models, wall charts and related products for use in OB/GYN, Woman's Health, midwifery and related areas. Made of durable composite plastic, each colorful three-dimensional model is suitable for anatomical studies, research, student or patient education.

Our high quality **Anatomical models** include the Uterus/Ovary, Female Pelvis, Breast Cross-Section, Breast Self Exam model, Multi-Breast, Pelvic Bone structure and the Stages of Pregnancy. We also offer laminated Anatomical Wall Charts of the Female Reproductive System, Pregnancy and Birth, Cervical Cancer and related topics. Ideal for the education of the gravid patient as well as for medical and health science class students, etc.

Canadian and International Customers welcome! Order Directly Online at www.lakeforestanatomicals.com and SAVE 5%. Use Coupon Code listed on the home page of our website.

Qualified professional or institutional purchase orders accepted. We also accept VISA, MasterCard, American Express, ACH Direct bank Transfers, PayPal (E-Bay), U.S. personal checks or money orders. Or, simply fax back our convenient Fax Back Order Form attached. Will ship within 48 hours of receipt of payment.

Sincerely, Lake Forest Anatomicals
