2021 Dental Anatomical Products Catalog

Hello! We are **Lake Forest Anatomicals** offering a select line of anatomically accurate, high-quality **dental models**, **wall charts** and related products for use in education, medical or dental practice. Made of **durable composite plastic**, each dental model is a colorful three-dimensional model suitable for professional practice, student or patient education, procedural demonstrations, and consumer education. Many with instructive educational key card.

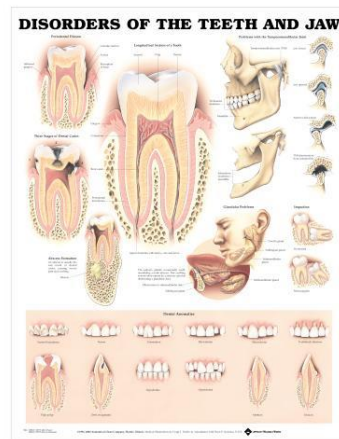

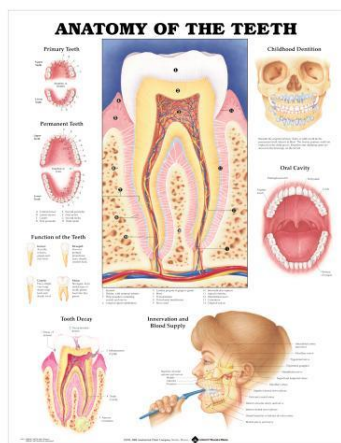

New! Professional TMJ Temporomandibular Joint Model LFA # 2880
with Educational Key Card

Our **Human Dental Anatomy models** include the human teeth, deluxe jaw with removable teeth, molar model, child’s foam “tooth” model for classroom education and many more. Many dental models feature educational key cards.

Our full color **Dental Wall charts** are laminated for long life and feature detailed illustrations of the human dentition system including anatomy of the tooth, teeth and jaw disease, and TMJ (temporomandibular joint) condition. Ideal for patient counseling and staff education.

Our Dental/TMJ Models Include:

LFA #2860 Human Teeth Normal and with Pathologies

LFA #2851 CLEAR Sinus, Full Face

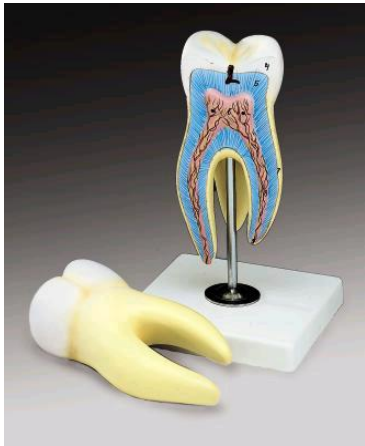

LFA #2861 CLEAR Human Jaw w Teeth

LFA #2880 TMJ Temporomandibular Joint Model

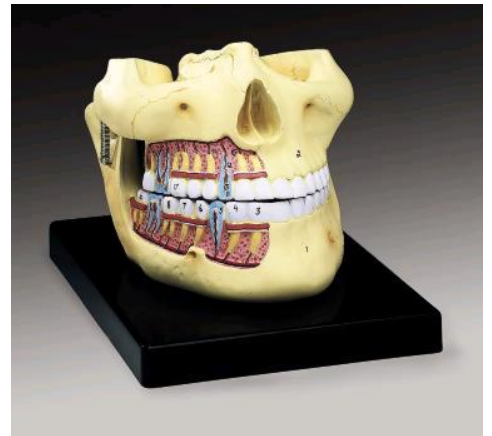

LFA #2600 Deluxe Jaw with Removable Teeth

LFA #2605 Giant Molar

LFA #2610 Giant 3 Root Molar

LFA #2615 Upper/Lower Jaw

LFA #2620 Teeth and Jaw Developmental Set of 4-Childhood to Adult
