## 2021 Female Health Catalog

**Hello!** We are **Lake Forest Anatomicals** offering a broad line of medically accurate 3-dimensional anatomical models, wall charts and related products for use in OB/GYN, Woman's Health, midwifery and related areas. Made of durable composite plastic, each colorful three-dimensional model is suitable for anatomical studies, research, student or patient education.

Our high quality **Anatomical models** include the Uterus/Ovary, Female Pelvis, Breast Cross-Section, Breast Self-Exam model, Multi-Type Breast, Pelvic Bone structure and the Stages of Pregnancy. We also offer laminated Anatomical Wall Charts of the Female Reproductive System, Pregnancy and Birth, Cervical Cancer and related topics. Ideal for the education of the gravid patient as well as for medical and health science class students, etc.

**FEATURED PRODUCT:** LFA # 3401- Female Breast Self-Exam Training Model highlights the importance of breast self-examination, mammography and clinical breast exams in the detection of breast cancer and other breast conditions.
