2021 Health Fitness and Rehab Professional Products Catalog

Hello! We are **Lake Forest Anatomicals, Inc.** offering a broad line of high-quality anatomical models, wallcharts, and related items for use in **Health Fitness, Physical and Massage Therapy, Rehabilitation, and Sports Training.**

Health fitness comprises two related concepts: general fitness (a state (of health and well-being), and specific fitness (a task-oriented definition based on the ability to perform specific aspects of sports or occupations). **Physical therapy** is based on proper professional guidance to restore physical well-being and normal activities. Our **Fitness Products** include anatomically accurate models and educational charts:

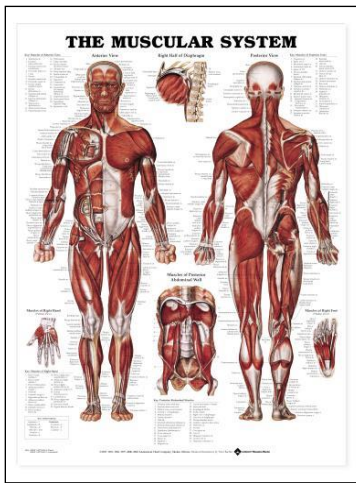

Health Fitness Anatomical Models:

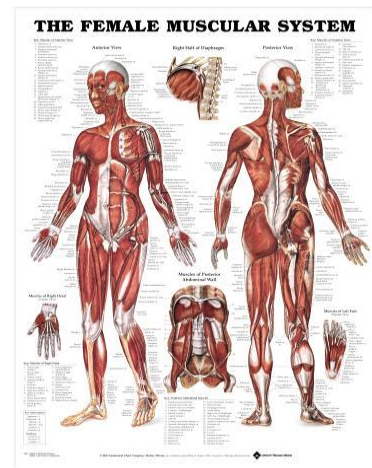

LFA Educational Wall Chart Series:
